ORDER

ROBYN F. TARNOFSKY, UNITED STATES MAGISTRATE JUDGE:

In my opinion and order of July 29, 2025, I stated that, “[a]fter striking the impermissible portions from Zalma’s report, there appears to be nothing to salvage.” (ECF 161, Opinion and Order at 47.) By **August 29, 2025**, Defendants shall file a letter on the docket specifically identifying with citations to the pages and paragraphs in Zalma’s expert report those portions of Zalma’s expert opinions that Defendants contend should not be excluded. I do not anticipate the need for additional briefing on this issue thereafter.
